

DEPARTMENT OF MEDICAL EDUCATION

Pt. B D Sharma PGIMS, Rohtak

The Department of Medical Education (DOME), PGIMS, Rohtak is at the heart of bringing Competency-Based Medical Education (CBME) to life on campus. With a team of 11 committed members and Dean, PGIMS Rohtak as its in-charge, the department works closely with both students and faculty to make sure learning goes beyond textbooks. Their goal is to help future doctors not only gain knowledge but also develop the right skills, attitude, and values needed in real-life medical practice. From guiding teachers, organizing hands-on training, and supporting modules like AETCOM, to helping students become better communicators and decision-makers, the team ensures that medical education is more practical, meaningful, and patient-centered.

With a shared passion for quality education, this group plays an important role in shaping the future of healthcare.

This department was recognized as NMC Regional Centre for Faculty Development on 24th March 2022. There are total of 19 medical colleges under its ambit - 15 Medical Colleges/ deemed to be Universities in Haryana and 04 Medical Colleges of the State of Rajasthan.

Regional Centre is responsible for training the trainers from allocated colleges in BCME (Basic Course in Medical Education) and CISP (Curriculum Implementation Support Program) at our own centre. Till now, we trained 365 such trainers and more in waiting. Also, Regional Centre is responsible to supervise the trainings conducted by the allocated colleges at their own places. An observer is sent from our centre to supervise such in-house trainings at various colleges and has trained a total of 759 teachers in these allocated colleges.
