This in continuation of NMC letter no F.no D-130024/07/2022/NMC/DMMP/028293 dated 01<sup>st</sup> Aug 2022, queries were raised from various Medical colleges in WhatsApp group formed for implantation of NMC IT projects.

1. NMC is setting up portal at <https://central.nmcindia.ac.in> for monitoring of attendance, probable date of hosting is 22nd August 2022.
2. College may start onboarding on this portal after launch of the portal.
3. Only STQC certified biometric authentication devices may be used for marking attendance in AEBAS system. List of STQC certified devices is available at [https://attendance.gov.in/faq/compatible\\_devices](https://attendance.gov.in/faq/compatible_devices) . Medical Colleges may arrange for procurement, installation and configuration of STQC certified devices directly from market by following due process of procurement. While procuring devices from any vendor Medical Colleges may procure with detailed terms and conditions to ensure smooth after sale support for at least 3 year warranty period.
4. College may use NICS I empaneled agencies attach in the letter dated 1<sup>st</sup> Aug 2022. NICS I has contracted with vendors with detailed terms and conditions to ensure compliance of 3 years warranty and after sale services. If required and deem fit, NICS I may be approached at [pi@nicsi.nic.in](mailto:pi@nicsi.nic.in) (011-22900533, 22900548) and [Health-NICS I@nic.in](mailto:Health-NICS I@nic.in) (011- 22900508).
5. There are queries regarding using existing devices. Medical College may analyze the cost of repair/maintenance /rollout/warranty etc. in comparison to cost of procurement of new devices with 3 years warranty as per NICS I empanelment or any other sources.
