Sub: Regarding disclosure of identification

It has been observed that several students while appearing in their respective examinations write down in the Answer Books "Jai Mata Di/Om/Jai Bajrang Bali/Jai Sain Ram etc. or make appeals to the examiners make some distinguish marks which discloses their identity whereas writing of any such mark in the Answer Book is forbidden and tantamounts to Unfairmeans Cases. Instructions are printed on the title page of answer book in this regard but even then students put some distinguish/identification mark/make appeals to the examiners. The examiners point out such incidents committed by the students to the university following which Unfairmeans cases against such students are registered as per rules. Thus, you are requested to inform the students that **THEY MUST NOT WRITE** any such identification marks/appeals/roll nos. etc in their Answer Book other than the space specified on the title page of the Answer-Book failing which Unfairmeans cases will be registered against such students. This should be widely circulated among the students.
