## DEPARTMENT OF MEDICINE, PT. BD SHARMA, PGIMS, ROHTAK

**Point No. 1: Photos Enclosed (soft copies)**

**Point No. 2:**

**Introduction:** Department of Medicine is one of the biggest department of PGIMS, Rohtak with 07 units, 18 faculty members, 36 Residents and 04 Senior Residents. It has 3 Wards (210 beds), ICCU, MICU- one in each ward, Nephrology ward, 11 clinics, Non-invasive Cardiac laboratory. The faculty is engaged in various subspecialties viz: Noninvasive Cardiology, Nephrology, Rheumatology, Endocrinology, Gastroenterology/Hepatology and Hematology.

Department of Medicine in vogue since the inception of Medical College, Rohtak from 1962, when the department was shifted with three members from Medical College, Patiala. The department has grown leaps and bound with starting of post graduation in 1967 with single seat to 18 postgraduates at present. It is also teaching/training various Medical (MBBS-250, BDS-100) and paramedical streams including, BSC Nursing and Physiotherapy courses. Department is catering to provide medical services in various sub specialties that is Intensive Coronary Care unit, Non-invasive Cardiology, Nephrology (dialysis), Endocrinology, Rheumatology, Gastroenterology, Inepathology & Hematology. ~~Apart from heavily attended regular Medicine OPD, it is also provide 24 hours emergency services, dialysis services and specialised clinics (total-11).~~ Since its inception, department is actively involved in research in various fields and on an average publishes 80 research articles annually in the National and International journal of repute. The department is also taking lead in organising various CME, Medicine update Conferences for State, National & International level frequently. This department has faculty for various non-invasive Cardiac investigation apart from running various ICCU and high dependency intensive care unit in various wards. The dedicated faculty in the department has been acclaimed for time to time at various scientific for which include prestigious membership and fellowship of National and International scientific bodies viz, API, CSI, Endocrine society of India, Indian Societies of Nephrology, European society of Cardiology, American College of Cardiology. Department is also conducting various National and International Phase-III clinical trials. Two senior faculty members are on invitation as subject expert committee (SEC) of DGCI. Most of the faculty's are on expert panel including examinations panels of various bodies like MCI, NBE and other state and national universities.

Despite achieving number of milestones, department of Medicine continue to strive more and more excellence in field of patient care and education to medical professionals by acquiring and disseminating latest advances in field of medicine and medical education.
