2. About the Department :

Department has been functional in the Institute for more than 40 years providing cutting edge Medical Services to diseased children including neonates from all parts of Haryana as well as adjoining states like U.P., Rajasthan, Uttarakhand, Punjab and Delhi. There is provision for providing 24 × 7 emergency services with a fully functional A & E unit. The department also runs outborn NICU & PICU services for critically sick newborns and older children. Both areas are highly specialized with availability of round the clock residents, senior residents and consultants. They are equipped with state of art machinery equipments like ventilators, central monitors, CRRT Machine, Bronchoscope and Echocardiography machine. Department has an average attendance of around 1 lakh OPD visits per year and average of more than 10,000 admissions every year apart from an average of 300 patients visiting every day in Pediatric A & E. The department also runs many specialty clinics like Pediatric Cardiology, Endocrinology, Neurology and Hemato-oncology & Respiratory disorders. Immunization Services are provided with all the vaccines launched under Mission Indradhanush programme by Govt. of India. Ayushman Scheme launched by the Govt. also runs in the department as per protocols. The Department also running Day care centers of Hemophilia and Thalassemia where patients not only from the Haryana state but also neighboring states are registered.
