 ROHTAK

**Department of Anatomy:**

The Department of Anatomy deals with the study of Morphology of the Human body. It is well equipped with teaching and nonteaching staff. It has illustrious museum, big dissection hall, histology lab and a research lab.

**Teaching done in Department of Anatomy:**

Teaching is done for MD, MBBS, BDS, BPT/BPO, B.Sc. Nursing and Paramedical courses (B.Sc. - M.L.T., O.T., Optometry and Perfusion Technology).

**Histology Laboratory:**

The histology Laboratory is well equipped with slides Monocular & Binocular microscopes. Department has Trinocular microscope fitted with a camera & laptop connection for projection facilities for demonstration to students. Digiflex Gallery is also available for better understanding of histology.

**Dissection Hall:**

The Dissection hall is well-ventilated and adequately illuminated with natural light. It has the accommodation capacity of 200 undergraduate students at a time. It is equipped with exhaust facilities, formalin tanks and attached cold storage room for preserving cadavers. There is separate Bone room with assorted columns with adequate number of bones and articulated skeletons. There is a well equipped embalming room having all the facilities for embalming and sectioning of the bodies where PG students are regularly trained for embalming the fresh bodies with the help of Cadaveric Injector. A separate cadaveric infusion room is also available. In dissection hall, adequate numbers of Maceration Tank for retrieval of bones are available.

**Body Donations:**

Anatomy department is well recognized center for body donation with 24 hour availability. Transport facilities are moved to body donors from areas adjoining Rohtak. Copies of body donation forms, certificate and ID card are attached with this document.

Sr. Professor & Head  
Department of Anatomy,  
Pt. B.D. Sharma Univ. of Health Sci  
ROHTAK

**Anatomy Museum:**

The department of Anatomy has a wonderful Anatomy museum comprising of beautifully dissected specimens of various regions of the Human body. The museum has proper display of Wet & Dry Anatomical Specimens, Embryology sections & models, 3-D models and collection of Radiographs Involving all Regions of Human Anatomy. There are certain charts which depict the History of Anatomy. A descriptive Catalogue Museum Book & Booklets are also maintained which guides the students to study the specimens.

**Anthropometry Laboratory:**

Anthropometry lab has wide variety of instruments including different varieties of Calipers (Vernier, Spreading, Sliding, Coordinate and Digital), Osteometric Study Board and Mandible Goniometer.

**Histology Research laboratory:**

The histology research laboratory is well equipped with rotary and sledge microtomes, cabinet for slides (1000), incubators, paraffin embedding bath, hot plates, balance analytical and balance earanger.

**Embryology Laboratory:**

Embryology lab has a collection of fetuses, umbilical cords, placentae from departments of Pediatric Surgery, Obstetrics & Gynecology.

**THE HARYANA ANATOMY ACT, 1974**

(HARYANA ACT NO. 24 OF 1974)

(Received the assent of the Governor of Haryana on the 2nd August, 1974, and first published for general information in the Haryana Government Gazette (Extraordinary), Legislative Supplement Part I of 5th August, 1974.)

1	2	3	4
Year	No.	Short title	Whether repealed or otherwise affected by legislation.
1974	24	The Haryana Anatomy Act, 1974.	

AN

ACT

to provide for the supply of unclaimed bodies of deceased persons to hospitals and medical and teaching institutions for therapeutic purposes or for the purpose of anatomical examination, dissection, surgical operation and research work.

Be it enacted by the Legislature of the State of Haryana in the Twenty-fifth Year of the Republic of India as follows:—

1. (1) This Act may be called the Haryana Anatomy Act, 1974.

(2) It extends to the whole of the State of Haryana.

2. In this Act, unless the context otherwise requires,—

(a) "approved institution" means a hospital or a medical or teaching institution approved by the State Government for all or any of the purposes of this Act;

(b) "authorised officer" means an officer appointed under section 4;

1. For Statement of Objects and Reasons, see Haryana Government Gazette (Extraordinary), dated the 2nd July, 1974, page 909.

Short title and extent.

Definitions.

SUGU  
Sr. Professor & Head  
Department of Anatomy,  
Pt. B.D. Sharma Univ. of Health Sci  
ROHTAK

(c) "near relative" means any of the following relatives of the deceased, namely, a wife, husband, parent, son, daughter, brother and sister, and includes any other person who is related to the deceased —

(i) by lineal or collateral consanguinity within the degrees in lineal relationship and six degrees in collateral relationship; or

(ii) by marriage either with the deceased or with any relative specifically mentioned in this clause or with any other relative within the aforesaid degrees.

**Explanation:—** The expressions "lineal and collateral consanguinity" shall have the meanings assigned to them respectively in sections 25 and 26 of the Indian Succession Act, 1925;

(d) "prescribed" means prescribed by rules made under this Act;

(e) "unclaimed body" means the body of a deceased person who has no near relative or whose body has not been claimed by any of his near relatives within such period as may be prescribed.

3. If any doubt or dispute arises whether a person is a near relative of the deceased, the matter shall be referred to the authorised officer whose decision on such reference shall be final and conclusive.

4. The State Government may, by notification, appoint for such area as may be specified in the notification, any person to perform the functions of an authorised officer under this Act and the rules made thereunder.

5. (1) Where a person under treatment in a hospital, whether established by, or vesting in, or maintained by, the State Government or any local authority, dies in such hospital and his body is unclaimed, the authorities in-charge of such hospital shall with the least practicable delay report the fact to the authorised officer and such officer shall then hand over the unclaimed body to the authorities in-charge of an approved institution for any therapeutic purpose or for the purpose of conducting anatomical examination, dissection, surgical operation or research work.

Doubt or dispute as to near relative to be referred to authorised officer.

Power to appoint authorised officer.

Unclaimed dead bodies to be used for therapeutic purposes, anatomical examination etc.

authorities in-charge  
(dissection)  
should report to authorised officer.  
then such officer shall hand over unclaimed body to authorities in-charge for research.

Sd/-  
Sr. Professor & Head  
Department of Anatomy,  
Pt. B.D. Sharma Univ. of Health Sci  
ROHTAK

(2) Where a person dies in a hospital other than a hospital referred to in sub-section (1), or in a prison and his body is unclaimed, the authorities in charge of such hospital or prison shall with the least practicable delay report the fact to the authorised officer, and such officer shall hand over the unclaimed body to the authorities in-charge of an approved institution for any purpose specified in sub-section (1).

(3) Where a person having no permanent place of residence in the area where his death has taken place dies in any public place in such area and his body is unclaimed, the authorised officer of that area shall take possession of the body and shall hand it over to the authorities in-charge of an approved institution for any purpose specified in sub-section (1).

6. Whoever with the intention of defeating the provisions of the Act, disposes of, or abets the disposal of, an unclaimed body save as permitted by this Act, or obstructs any authority in charge of an approved institution or an authorised officer from handing over, taking possession of, removing or using, such dead body for the purpose specified in this Act, shall, on conviction, be punishable with fine which may extend to two hundred rupees. Penalty.

7. All officers of the Departments of Police and Public Health and all officers in the employ of a local authority and all village officers and Panches and Sarpanches shall be bound to take all reasonable measures to assist any authority or officer authorised under this Act to obtain the possession of an unclaimed body.

Duty of Police and other officers to assist in obtaining possession of unclaimed bodies.

8. No suit, prosecution or other legal proceeding shall lie against any person for anything which is in good faith done or intended to be done under this Act or the rules made thereunder.

Protection of persons acting under the Act.

9. All officers appointed under this Act shall be deemed to be public servants within the meaning of section 21 of the Indian Penal Code, 1860.

Officers to be public servants.

10. (1) The State Government may, by notification, make rules for carrying out the purposes of this Act.

Power to make rules.

(2) Without prejudice to the generality of the foregoing power, such rules may prescribe the period within which a near relative may claim the body of a deceased person.

*Signature*  
Sr. Professor & Head  
Department of Anatomy,  
Pt. B.D. Sharma Univ. of Health Sci.  
ROHTAK

(3) Every rule made under this section shall be laid as soon as may be after it is made before the House of the State Legislature while it is in session for a total period of ten days which may be comprised in one session or in two successive sessions, and if before the expiry of the session in which it is so laid or the session immediately following, the House agrees in making any modification in the rule or the House agrees that the rule should not be made, the rule shall thereafter have effect only in such modified form or be of no effect, as the case may be, so however that any such modification or annulment shall be without prejudice to the validity of anything previously done under that rule.

Repeal.

11. The Punjab Anatomy Act, 1963 (Punjab Act 14 of 1963), in its application to the State of Haryana, is hereby repealed.
