These Rural Health and training centres are also being used as internship/ PG training centres with provision of accommodation for interns and PG students, besides providing indoor, OPD services to the population served. These centres are regularly being visited by Senior Residents and faculty members of the department on rotation basis for supervision and strengthening of the activities.

3. Immunization clinic is being managed by the department of community medicine. Immunization services are being provided free of cost for the vaccines received from state govt. as per immunization schedule to all the beneficiaries in Room No. 206 in New OPD complex (Ch. Ranbir Singh OPD Complex) of the institute during OPD hours. The department is also providing anti-rabies vaccine for animal bite cases, free of cost to all those who attend the clinic on all working days.
